Music by  
PAUL TIETJENS

Moderato (*Dreamily*)

*p sempre legato* *poco rall.*

Here up-on the warm sea-beach, Just be-yond the break-er's reach,—

*a tempo*

As like scat-tered pearls they gleam, I sit and dream.

Sweet, im - mea - sur - ab - ly sweet, Here where land and wa - ter meet,

Just to sit and dream a - way the sum - mer day. Where the blue ho -

ri - zon lies, Subt - ly wed - ded to the skies Rich en - chant - ment

beck - ons me a - cross the sea. And I dream that

*dolce*

I shall sail, Swift - ly with a fa - v'ring gale

Out where sky and wa - ter kiss, On days like — this, Where my vi - sion's

*mf*

ou - ter rim, With en - chant - ment's haze grows dim, And the ma - gic,

*pp*

mys - tic sea Is call - ing me.
